Tasks

Phase 1: Blow Dry Styling & Thermal Curling performed on a mannequin

Time Limit: Dry & Curl Time: 60 minutes

Style: Hairstyle will be created with the use of a blow dryer and curling iron. Contestant may choose the style and bring a 5X7 picture of their selected style. The picture must be mounted on an 8 1/2" by 11" white paper. The picture will be displayed on the

workstation mirror. The thermal curls will be judged before being combed out. IF working with longer hair, it is the contestant's option to secure curls with a clip to prevent them from "drooping" or hanging. Contestants will step back when finished with thermal curling on mannequin and may not retouch curl during styling.

Phase II: Technical Set

Time Limit:40 minutes ; performed on a second mannequin

Top: 4 TAN Rollers

Left Side: Permanent wave rods

Right Side: Diagonal Wave with ridge curls

(7 Pin curls.row one- 3 pincurls directional towards the face with the first one starting by the corner of the eye, second row- 4 pin curls directional towards the back starting with number 4 by the roller at the top of the head.)

Back: 3 Horizontal fingerwaves ending in Pincurls

Phase III: Comb Out

Time Limit: 35 Minutes

The proper use of brushes, combs, and styling tools will be evaluated. The style will be judged on the contestants' ability to duplicate the selected style.

NOTE: Sanitation, safety, and clothing regulations must be carefully followed.
