

## New Jersey SkillsUSA Friday Flash 6/14/24

### **Message from the Desk of the State Director**

I hope you all had a GREAT WEEK!!!!

#### **EMT Competition**

Advisors, please let me know if there is any interest in having an EMT competition next year. I need at least five schools to participate if we are going to continue the competition. This competition requires a team of two, and is open to active SkillsUSA members enrolled in Career and Technical education programs with emergency medical technicians as the occupational objective. *\*Student competitors must be enrolled in, or just have completed (within the current membership year) an EMT Basic Vocational Program or be EMT certified.*

#### **Telecommunication Cabling & Basic Health Care Contests**

If there is any interest in Telecommunication Cabling or Basic Health Care Skills, please let our office know.

#### **Washington Leadership Training Institute**

Please let this office know if there is any interest in going to WLTI in September. We need at least twenty-four participants total, and all students need to be accompanied by a chaperone.

#### **Last Chance-State Champ Banners Order Deadline June 30**

Our office purchases a state champ banner for each gold medal school. You will get one for each of your gold medalists at no cost to you. If you want an additional banner, you can purchase it for \$30 each by completing the [attached order form](#) and returning by June 30.

The banners will look like this with your contest name and 2024:

FYI: The Manufacturer does not produce banners for silver or bronze medalists. State Champions only.

Let us know if you have any questions.

Have a good weekend!

*Ralph Starace*
