

New Jersey SkillsUSA Holiday Flash 12/21/23

Message from the Desk of the State Director

Good morning! I hope you all had a great week. I'd like to take this time to wish you all a very happy holiday season from our NJ SkillsUSA state office. Thank you for all of the dedication you have for our organization. It is very much appreciated.

New Contest: Drywall

Advisors: we will be posting a new competition that was supposed to start in 2019, but was delayed by the pandemic. Interior Systems Drywall Installation is the new state-only contest, with no spackling involved. This contest is open to students enrolled in a construction trade program. A chapter may register 3 individual students.

State Registration

The State Registration System is open. Directions for completing your contest registration can be found under the advisor tab of the website. If you have entered your membership by December 15, your eligible students' names are listed there for you. If you haven't completed your national membership, you have up to January 30 to do so.

Holiday Break

Our office will be closed from 12/22-1/2, and communication will be limited. If you need support with the registration process over the holiday break you can email Sheila (srick@scvts.net) for help. She will be periodically checking her email.
