

2024 New Jersey SkillsUSA Championships

Registration Information Booklet

NJ SkillsUSA Awards Ceremony Cure Arena -April 28, 2024

This booklet is offered to you as a guide for organizing
your contestant registration information.

Official contestant registration must be done online and completed by January 30
using the New Jersey SkillsUSA web site registration system at www.nj-skillsusa.org

Address questions concerning the registration process to
Courtney Nemerofsky: cnemerofsky@scvts.net or Sheila Rick: srick@scvts.net

CONTESTANT REGISTRATION INFORMATION

- This registration information booklet is a reference tool to be used as an aid to advisors in completing their contest registrations.
- All NJ SkillsUSA Championship competitors MUST be registered members of SkillsUSA by completing the membership process at www.skillsusa.org
- Important Dates
 - National Membership Due: December 15
 - Contest Registration Opens by December 20
 - Early Bird Discount Expires January 15
 - Registration Closes January 30
 - Contest Registration Fees Due: March 15
- Following the completion of the on-line championship registration, Advisors should print their invoice and submit to their business office for payment due to the state office by **March 15**.
- Competition Fees Per Person:
 - Early Bird Registration by Jan. 15: \$85
 - After Jan. 15: \$90
 - All Construction Contests: \$120 per person
- Advisors and contestants are encouraged to regularly check the NJ SkillsUSA web site for contest updates. Email State Director Ralph Starace: rstarace@scvts.net or Courtney Nemerofsky: cnemerofsky@scvts.net directly with your competition questions.
- Carefully check the eligibility for the Job Skill Demo and Career Pathways contests. Call our office with questions concerning which category to register students in at 908-526-8900 X 7249.
- *NEW National Contest: Heavy Equipment Operations*
- *NEW State Only Contests: Basic Residential Wiring, and Culinary Quiz Bowl,*
- Notebooks, portfolios or discussion papers for the following contests are due prior to the competition date. Contest Coordinators will contact contestants and advisors with details for submitting their materials in advance:
 - *American Spirit Award*
 - *Community Service*
 - *Entrepreneurship*
 - *Health Occupations Professional Portfolios*
 - *Job Interview*
 - *Occupational Health & Safety-Single Section & Multiple Section*
- Unless otherwise noted, the contest specifications for all national contests are contained in the **National SkillsUSA Championships Technical Standards 2024**. Be sure your instructors are referring to the current contest guidelines. The current SkillsUSA Championships Technical Standards are available online to professional members as part of their paid membership.
- Because our state competitions are conducted in one day in contrast to the three-day national event, NJ Contest Coordinators will often post contest updates that outline any details that will differ from the published national standards. Those Contest Updates are listed on our website: www.nj-skillsusa.org.
- Several Events are held on the state level that have no national level competition. Guidelines for "NJ State Only Events" are available at www.nj-skillsusa.org. Click on *States and State Only Contests*.
- PS eligibility: In order to qualify to compete as a Post-Secondary competitor, students must have already graduated from high school.
- Specific contest updates will be sent directly to the advisor who is linked to the student on the contest registration site in the Advisor column.
- *JOB INTERVIEW Regional Run-Offs*: Job Interview Contestants should register to compete in the regional contest of their choice. The top three finalists from each region will compete for medals on April 20 at Payne Tech.
- Resumes are required for all of this years' competitors.

- Lunches will only be provided for Judges and Contest Coordinators. The only exceptions are at the Mercedes Benz and Lincoln Tech Contest sites where lunch will be provided at no expense to competitors and advisors.
- Advisors will need to make arrangements to feed their students by either packing lunches to bring or purchasing lunch from the lunch provider at each site. Menus will be provided ahead of time for the Gloucester, Sicklerville, Somerset, and Payne Tech contest sites.
- Lunches at the Carpenter Center will be provided by Kings for a price of \$10.99 for sandwich, cookie, chips and water. Individual salads will be available at the same price. Menus will be sent out ahead of time and Schools should deal directly with Kings.
- Competitors are also required to submit a completed Code of Conduct and Media Release Form along with their resume when reporting for competition. The form can be found in the Downloads tab at www.nj-skillsusa.org
- Be sure students' T-Shirt sizes are indicated in the registration system.
- In the case of inclement weather, the decision to postpone competitions will be made by noon of the day before the event.
- NJ SkillsUSA will not be providing bussing between the three April 13 competition locations.
- Schools are on their own to negotiate and book with hotels. The following hotels are prepared to work with you if you need overnight accommodations for your students. Mention NJ SkillsUSA when you call.
 - Somerset Area
Erica Davidson: 732 810-8880, Hampton Inn, 1277 Rte. 22 West, Bridgewater, NJ
 - GCIT/Sicklerville Area
Jessica Bedford: 267 702-0985, Hampton Inn, 1253 Hurffville Rd., Deptford Twp. NJ
 - Newark Area
Christina LaFranca: 973 575-5777, Hampton Inn, 118 Rte. 46 East, Fairfield, NJ
- All competitions will adhere strictly to the competition clothing requirements. Dress Code violations will result in point deductions.

The 2024 National SkillsUSA theme
for Chapter Display, Prepared Speech and Promotional Bulletin Board contests is:

SkillsUSA: No Limits

Within this topic, contestants might illustrate or discuss any of the following:

- The theme "SkillsUSA: No Limits" implies that there is no ceiling to what SkillsUSA student members can achieve. Name three ways that SkillsUSA helped you gain greater confidence to achieve your goals.
- How has SkillsUSA helped you answer the question, "What career field interests you the most?"
- If you were asked to create a member recruitment campaign around the theme "SkillsUSA: No Limits," what would be three key points?
- How has learning and practicing the SkillsUSA Framework Essential Elements given you confidence in your skill set? Name two Essential Elements that you have utilized to help you work toward a goal.
- What does the theme "SkillsUSA: No Limits" mean to you?
- A supportive community is crucial in helping us reach our goals and achieve a "no-limits" future. How do you demonstrate being a supportive teammate to others?
